**MEMORANDUM FOR THE DIRECTOR, NATIONAL PHOTOGRAPHIC  
INTERPRETATION CENTER**

**SUBJECT: Standardization of an Image Evaluation Technique**

- Reference:**
- a. Report of the Photo Working Panel on the C/M System, 8 February 1964
  - b. (S)NRO memo to Director, NPIC, same subject, 2 March 1964

The committee appointed to plan a specific program for implementation of reference (a) has submitted their recommendations. One of the recommendations concerns the standardization of a technique to define and determine Image Quality.

Enclosed is a Work Statement prepared by the committee that outlines the objectives, suggested Group Members and Task Outline. It appears that this could best be accomplished by NPIC. Accordingly, I request that you sponsor and direct, for the (S)NRO, a working group to develop a standard Image Evaluation Technique proceeding essentially as outlined in the attached work statement. Further, I understand that the necessary funds are included in the NPIC budget.
